No-Show Policy for Meetings & Events

HEPC has a no-show policy that states that members will be charged a no-show fee if they do not show up to an event to which they RSVP'd. In an effort to be as fair and objective as possible, this is a "no exceptions" policy. Although there may be circumstances out of your control that may result in non-attendance, HEPC still gets charged the fee as if you attended the event. If you RSVP to an event, you have up until the RSVP deadline to cancel your RSVP.

Similarly, guest fees will be charged (and not refunded) if a guest does not show up to an event. The member responsible for said guest will be invoiced for the guest fee if it was not pre-paid.

We appreciate your courtesy to other members and their guests by not coming if you have COVID or feel ill in any way. This policy is not meant to encourage people to attend if they are ill or contagious.

Thank you.
